

Improving Student Learning using Reading Comprehension Strategies

Northern Middle School

January 19, 2004

Presented by: SJ Heise, HSE

EXIT SLIP

1. Did the training meet the objectives?
2. How has this training enhanced your knowledge about improving student learning?
3. What type of further training do you need in order to implement a school wide emphasis on reading skills?
4. Do you think a Literacy Team would be necessary to carry out the development of a school literacy program? If so, name two teachers that you recommend for collaboration of Reading Professional Development.
5. Suggestions for future training.
6. Suggestions for improvement/Comments:
